Skills

- **Programming Languages** : Java
- **Libraries and Frameworks** : Spring, Spring Boot
- **Tools** : Git, GitHub, IntelliJ IDEA, MySQL Workbench, Postman
- **Other Skills** : Algorithms, API Development, Data Structures, Debugging, Linux, Problem Solving, AWS

Projects

Movie Reservation System

🔗 <https://github.com/niranjan-fartare/Movie-Reservation-System>

- Developed a backend system for an online ticket booking application inspired by BookMyShow.
- Designed and implemented RESTful APIs for CRUD operations on core entities like City, Theatre, Auditorium, Show, and Ticket.
- Leveraged Java and Spring Boot to build robust and scalable backend services.
- Utilized JPA/Hibernate for efficient database management and seamless integration with relational databases.

Achievements

Official Arch Linux Mirror Host: I maintain an official Arch Linux Mirror, managing 11 servers in 6 regions with 2TB/day average bandwidth usage. Link: <https://archlinux.org/mirrors/niranjan.co/>

Education

MIT ADT University, Pune

2023

B.Tech in Computer Science | 7.38 CGPA

Dr. N.J. Paulbudhe Institute of Technology, Ahmednagar

2020

Diploma in Computer Engineering | 70.5%

Certifications

SQL

- Acquired proficiency in simple queries, establishing relationships, and utilizing aggregators for data analysis.
- Certificate Link: <https://www.hackerrank.com/certificates/501a03abcdce>

Java Essentials

- Gained proficiency in essential Java concepts, including syntax, debugging techniques, and code optimization strategies.
